

The Financial Officers want to communicate important timelines regarding unpaid 2019 dues. In order to process dues timely, we want to encourage sorors who wish to pay by personal check to do so by Feb 11. This is the **received date** not the postmark date. The last day for the Tamiouchos Team to **deposit** your check and allow for bank processing time will be Feb 14.

If any soror chooses to wait until Chapter meeting on Feb 16, we want to encourage her to pay by **cash, money order, or cashiers check**. This will prevent banks delays for processing the deposit and allow us time to submit dues more quickly. Please note: we will also be processing delegate registration during this same time frame. Please allow us the necessary time to process payments.
